NorthEx Cargo

Freight & Logistics | Los Angeles, California, USA

Moving your freight by sea, air and ground - with one team, one quote and live tracking.

From our base in Los Angeles, one team plans the route, books the transport, handles warehousing and customs, and keeps you updated at every stop until delivery is confirmed.

Our Services

- Trade Services - door-to-door import and export, paperwork included.
- Dry Cargo - general freight in containers or shared loads.
- Reefer Cargo - temperature-controlled moves for chilled goods.
- Oversized & Breakbulk Cargo - heavy and out-of-gauge loads.
- Intermodal - sea, rail and road combined on one booking.
- Warehousing & Storage - secure storage at our Los Angeles facility.
- Cross Trading - cargo moving between two countries via the USA.
- Cargo Trailers - full and shared truckloads across the USA.

Three Ways to Ship

- Air Shipping - the fastest option for urgent and high-value cargo.
- Ground Logistics - full and shared truckloads across the USA.
- Sea Transportation - the economical choice for large volumes.

Why Ship With NorthEx?

- 50,000+ total shipments | 120+ countries served
- 25,000+ happy clients | 24/7 tracking support
- Live tracking with an email update at every stop.
